

New Makeup Policy

The SCNV Board approved a new policy for club ice subscriptions. Starting January 4, each subscriber will have up to two makeups available to use if sessions are missed for any reason. The makeups can be used to pickup another session; for example, if you were subscribed to FS 1, and missed a day, you can pickup a FS 2 or FS 3 session. Pickup rules will apply. Refer to the SCNV handbook for details on pickup rules. Please note that the makeups are not retroactive for sessions missed prior to January 4.
